

## The performance and beauty of Fiber-Classic® doors make our homes even more attractive.

We insist on attention-getting doors for our beautiful homes. That's why we choose Fiber-Classic®.

It's exquisite fiberglass finish looks like premium wood, but without a premium price. And Fiber-Classic does things wood doors only dream of - like not crack, warp, or split. And it's five times more energy-efficient.

There are dozens of styles, decorative glass and transom options, too. Therma-Tru doors. Just one of the features that make our homes beautiful from the outside in.

- No denting • No cracking
- No splitting • No warping
